## SAFETY HELMET

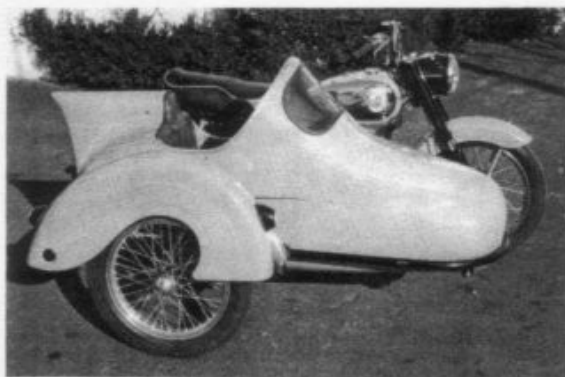

### PROTECTOR SAFETY HELMET

An excellent road type safety helmet, approved by the testing laboratories of the British Standards Institute. Sold exclusively by BSA in the U.S.A. Protector Helmet features an extremely strong fiber glass shell with new polystyrene shock absorbing lining for maximum possible protection. Shell is white with white visor, neckpiece is genuine leather fitted with fully adjustable, quick opening strap. A good looking, long wearing helmet—priced to enable every rider to have high standard safety protection in 1/8 steps from sizes 6 5/8 to 7 1/2.

No. BA 202 **\$15.95**

## Star Sidecar

Light, easy handling, super-streamlined—fits all BSA "A" models. Also available on special order to fit Commander 600 and Ariel models.

Built in U.S.A., this ultra-styled sidecar features fibre glass body shell—light and strong, tubular steel chassis, torsion type suspension. Designed by America's foremost sidecar expert the "Star" handles effortlessly, rides like a cloud, looks like a million—ask your BSA dealer for special literature.

**STAR SIDECAR \$385.00**

Available for BSA in Super Rocket Red or Golden Flash Blue, also in colors to match your Ariel. Shipped f.o.b. Indianapolis, Indiana.

## Commercial Van

Low priced, sturdy construction—designed for quick deliveries at lowest possible cost.

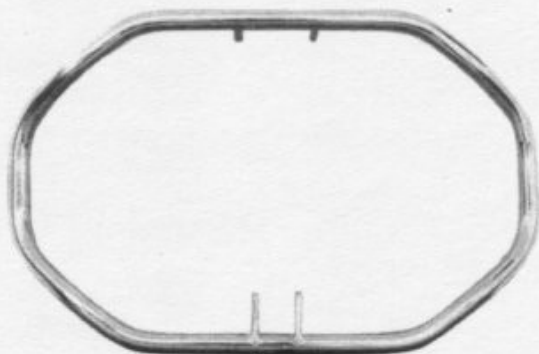

A sturdy, all steel commercial box designed especially for attachment to the BSA Commander 600 model. Features tubular steel chassis, torsion type suspension, ample carrying capacity.

Capacity approximately 250 lbs.

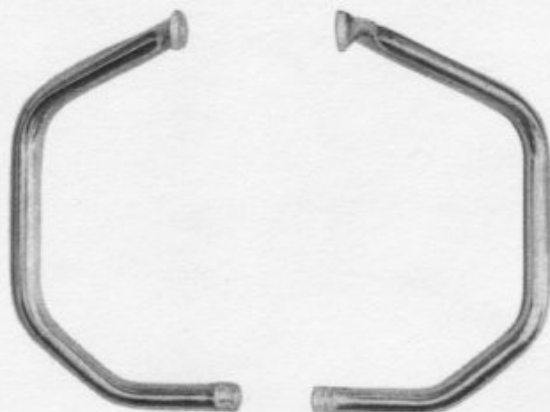

**\$334.23 f.o.b. Indianapolis, Indiana**

**Complete Outfit only \$968.00!**

(Commander 600 motorcycle shipped F.O.B. Nutley N. J.)

DE LUXE SAFETY BAR

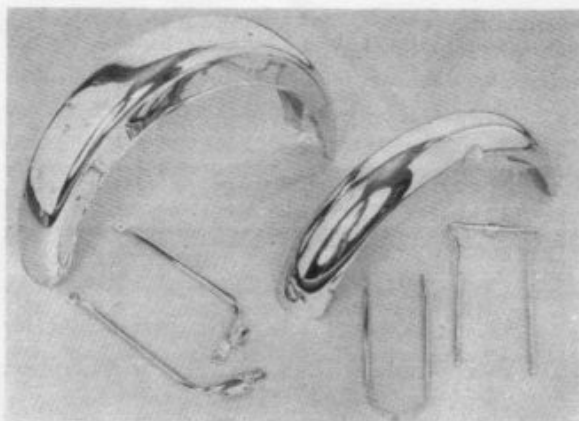

BSA REAR SAFETY BARS

**CHROME FENDER BRACES**

BSA Front Fender Brace Set No. B143 \$10.50

BSA Rear Fender Brace Set No. B144 \$10.50

CHROME FENDERS AND BRACES

## BRILLIANT CHROME ADDS BEAUTY TO YOUR **BSA** OR ARIEL MODEL!

BSA DE LUXE SAFETY BARS No. 42-4899 \$19.00

Strong alloy steel safety bars manufactured in the BSA factory. Fit your BSA exactly—exclusive compound curvature styling adds greatly to the smart appearance of your motorcycle—finished in extra heavy chrome plate. The best safety bar you can buy. Fits BSA Twins and "B" Singles 1954-1958.

ARIEL DE LUXE SAFETY BARS No. 9200C-56 \$19.00

Similar to BSA bars illustrated. Made in Ariel factory. Fits Ariel Twins, VH Single. For Sq. 4 order No. 9201-56.

BSA REAR SAFETY BAR No. 42-4909 \$19.00

Designed and built in the BSA factory. Protects passenger and rear of motorcycle, does not interfere with legroom—handsomely styled to match BSA DeLuxe front bars—finished in extra heavy chrome plate. Fits BSA Twins, "B" Singles 1954-1958.

CHROME FENDERS Front, No. 67-6556/3 \$17.75

Rear, No. 42-6856/3 21.45

The biggest appearance improvement you can make on your BSA or Ariel model! Get these brand new chrome-on-steel fenders at little more than the cost of plating present equipment. Brilliant chrome, triple plated on steel base—do not confuse these fenders with cheap aluminum substitutes commonly offered! Fit BSA Twins, "B" Singles 1954-1958. Give year and model when ordering.

**CHROME FENDERS FOR ARIEL MODELS**

Front, No. 4700-56 \$19.26

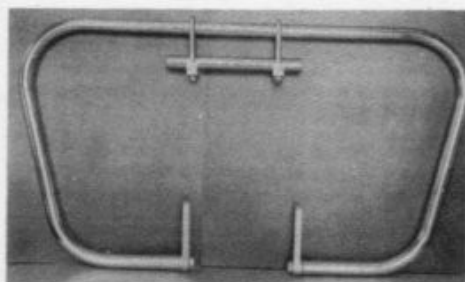

Rear, No. 5574-54 21.57

Sports type chrome-on-steel fenders for Ariel Huntmaster, Red Hunter models. Snap up the appearance of your Ariel with these sporty, brightly plated fenders.

**UNIVERSAL SAFETY BAR**

No. B-101 \$15.95

Low cost universal safety bar. Available to fit BSA and Ariel twin tube frames (illustrated below). Also available for single tube frames. Chrome plated.

UNIVERSAL SAFETY BAR

## **BSA and Ariel** **SPORTSWEAR**

### BSA T SHIRTS

Fine quality, close knit cotton with nylon reinforced strain points. "BSA Motorcycles" insignia in red on chest. Will give many months of hard service. Small, Medium, Large.

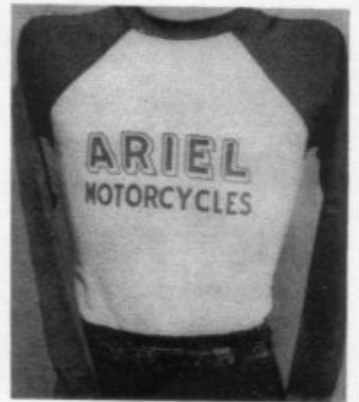

No. B207 \$1.50 each

### ARIEL T SHIRTS

Same fine quality as BSA shirt. With "Ariel Motorcycles" insignia processed in red on shirt. Small, Medium, Large.

No. A208 \$1.50 each

### BSA RAYON JERSEY

Heavy knit rayon jersey, red body with white sleeves, "BSA Motorcycles" processed in white on chest. Colorful sheen finish—ideal for mild weather riding or wear under jacket. Bright colors for high visibility, snappy appearance. Small, Medium, Large.

No. B209 \$4.50 each

### ARIEL RAYON JERSEY

Same heavy quality, fine construction as BSA Jersey. Blue body, white sleeves, "Ariel Motorcycles" processed in white on chest. Small, Medium, Large.

No. A210 \$4.50 each

### BSA RACING OVERJERSEY

American Motorcycle Association, rules state "Leather jacket *must* be worn in all racing events." Here is the answer to bright appearance on the track—a sleeveless rayon jersey in brilliant gold with bold, black "BSA" emblem on front. Elastic bottom—easy to get on and off over leathers. Medium only. Fits most riders.

No. B211 \$4.50 each

BSA SPORT SHIRT

### BSA SPORT SHIRT

Popular everywhere! Fine soft cotton knit sport shirt with 3 button front, stylish collar. "BSA Motorcycles" imprinted neatly over left breast pocket. Highly acceptable wear for dealer and rider—in the store—on the street, or at motorcycle gatherings.

No. B212 \$4.50 each

### ARIEL SPORT SHIRT

(Not illustrated.)

Exactly as BSA shirt above but with "Ariel Motorcycles" insignia.

No. A213 \$4.50 each

### SWEATER EMBLEMS

Popular embroidered sweater emblems for BSA and Ariel riders. BSA embroidered red on white—Ariel, blue on white. Color fast, extremely attractive, dimensions are 7" wide, 4" high.

BSA Sweater Emblem, No. B216 \$1.25

Ariel Sweater Emblem, No. A217 1.25

### BSA JUVENILE T SHIRT

A favorite with the small fry!

BSA "Bantam" Juvenile T Shirt—a favorite with the small fry! Also available in Ariel "Colt" design. Sizes 10, 12, 14.

BSA Juvenile Shirt No. B214 \$1.25

Ariel Juvenile Shirt No. A215 1.25

# SUPER HI-SPEED WINDSHIELD

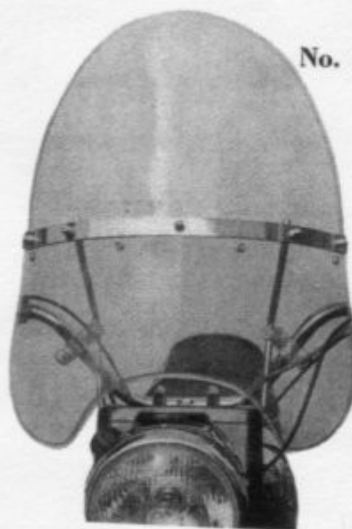

## Finest Windshield You Can Buy!

Here is the strongest, most rigidly mounted windshield you can put on your motorcycle! Made of optically clear "Perspex" plastic material almost  $\frac{1}{4}$ " thick—strong and long lasting. Double uprights and double handlebar clamps designed to guard against foldback at high speeds. Rubber mounting insures against vibration cracks. Chrome and nickel plated hardware. TC model fits BSA Rocket and Gold Star models with tachometer. TD model fits other BSA and Ariel models, most other British motorcycles.  $\frac{7}{8}$ " diameter clamps.

No. B104TC \$19.00

No. BA105TD \$19.00

## DEFENDER WINDSHIELD

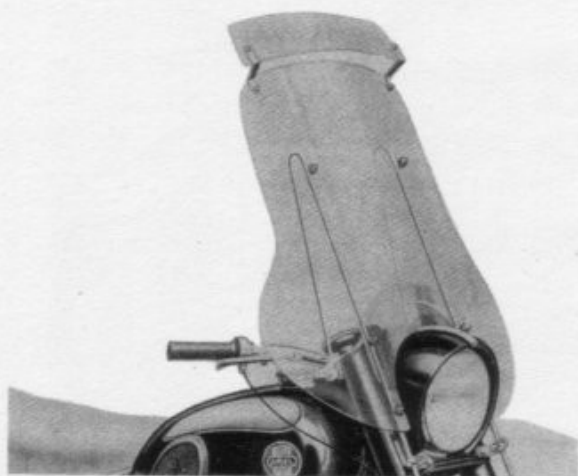

A fine quality windshield at low cost. Well built, handsomely finished with chrome plated hardware. Rolled edge of heavy plastic material guards against cracking. Complete with snap-on fittings for winter shield. Fits BSA, Ariel, most other British motorcycles with  $\frac{7}{8}$ " handlebars. All upper pyralins clear. Lower available in blue or red.

Clear/Red No. BA 107 CR

Clear/Blue No. BA 107 CB

Clear/Clear No. BA 107 CC

\$16.50

## ARIEL DEFLECTOR SHIELD

Deflector type windshield—built to fit Ariel 4, Huntmaster Twin and Red Hunter models. Mounts on fork—no handlebar clamps. A top quality shield manufactured of heavy "Perspex" material almost  $\frac{1}{4}$ " thick with chrome and nickel plated hardware. Separate deflector allows clear vision in dusty or rainy conditions.

No. A 106 \$25.40

## REPLACEMENT PYRALIN FOR DEFENDER SHIELD (upper)

No. BA 107 U \$5.25

## REPLACEMENT PYRALIN FOR DEFENDER SHIELD (lower)

(state color when ordering lower)

No. BA 107 L \$5.25

**YOUR BEST SAFETY INSURANCE... GOOD TIRES!**

# DUNLOP

The motorcyclist's best safety insurance is a set of new Dunlop tires. These famous motorcycle tires have scientifically designed treads for sure grip on slippery surfaces and maximum adhesion in layovers on curves. New, sharp gripping tread for your safety! Be sure to specify Dunlop tires — made by the world's pioneer manufacturer of pneumatic tires.

## UNIVERSAL TREAD

Recommended for all 'round road use—used as original equipment by leading motorcycle manufacturers.

BSA - ARIEL FACTORIES

## WORLD'S FINEST MOTOR CLEANER!

GUNK G.P. (General Purpose) is nationally known as the best motor cleaner on the market. Gunk G.P., unlike other motor cleaner products on the market is *water soluble*, that is, it mixes with an equal amount of water to make a powerful motor cleaner. Brush it on—hose it off. Leaves all engine parts clean and sparkling, alloy parts gleaming like new. Will not harm finest enamel finishes, and *will not harm hands*. One can good for several motorcycle engine clean up jobs.

**GUNK G.P.** \$.75 can  
(Accessory No. BA 302)

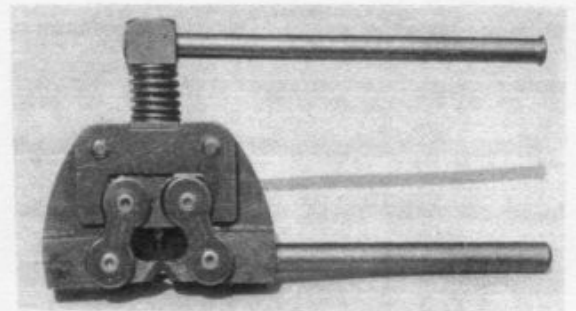

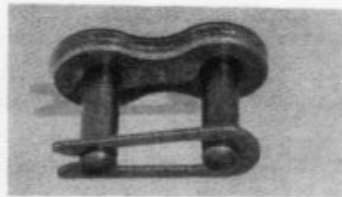

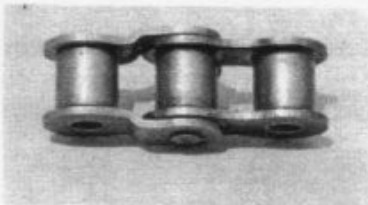

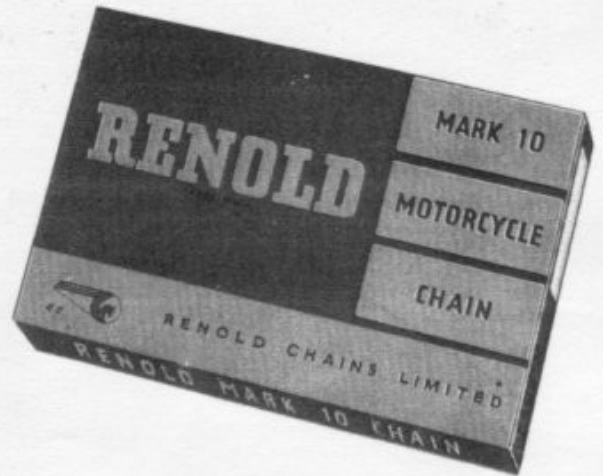

BRUSH IT ON . . . HOSE IT OFF

	D Model	No. B705	1.00
	M Model	No. B706	1.00

State Year, Model, Engine No. when Ordering.

### ARIEL INSTRUCTION BOOKS

Comprehensive Instruction Manuals—dozens of drawings, charts and illustrations on Ariel Maintenance and Overhaul. Specify Model, Year and Engine No. when ordering.

Sq. 4	No. A707	\$1.00
Huntmaster	No. A708	1.00
Red Hunter	No. A709	1.00
Colt	No. A710	1.00
Scrambler	No. A711	.50

(Supplement)

## A Gold Mine of Information on your Gold Star!

Written by BSA Factory Experts—the men who know Gold Stars best! Over 100 drawings and charts on every phase of Gold Star maintenance, overhaul and tuning.

#### Partial List of Subjects:

- Engine Overhaul
- Timing and Tuning
- Transmission Overhaul
- Gear Ratios Available
- Compression Ratios
- Brakes and Wheels
- Competition Tips

No. B701 \$1.50

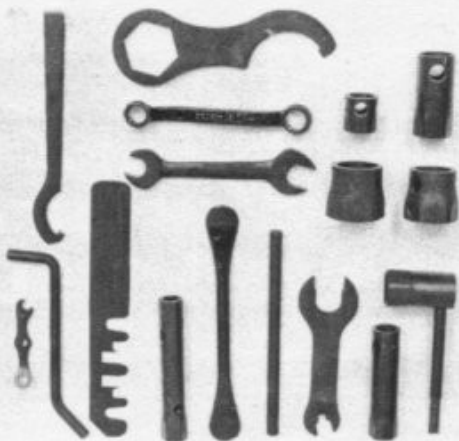

### BSA AND ARIEL PARTS

Sold only through BSA or Ariel Dealers.  
Write for name of nearest dealer.

# RIDERS' AND MECHANICS' TOOLS

## RIDERS' TOOL KITS

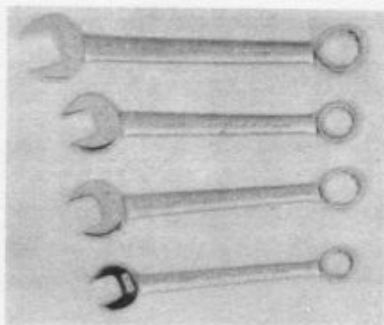

As supplied with new BSA motorcycles. Contains standard tools required for ordinary maintenance operations. Tool kit for BSA Twins shown. Also available for other BSA models. Ask your BSA Dealer.

No. 42-9107 \$13.74

## WRENCH SET

Strong "Armalloy" steel chrome plated combination wrenches—four ring ends, four open ends in most used sizes on BSA and other British made motorcycles. A fine addition to any tool kit.

No. BA801 \$7.95 set

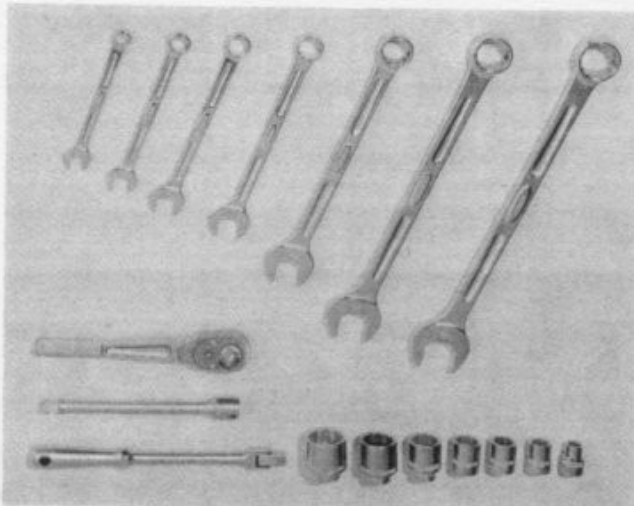

## BONNEY SOCKET WRENCH SET →

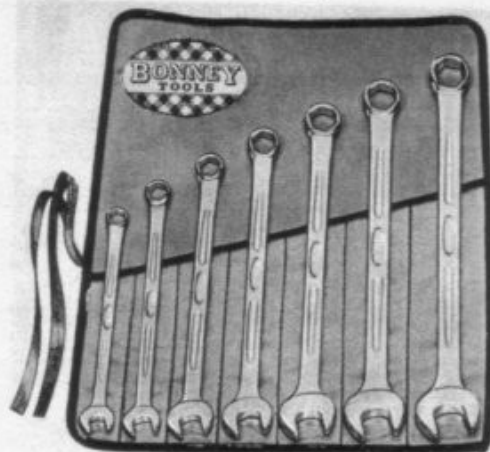

$\frac{3}{8}$ " drive chrome-vanadium sockets with universal handle. Ideal for rider and shop. Contains following Whitworth size sockets:

$\frac{1}{8}$ " ;  $\frac{3}{16}$ " ;  $\frac{1}{4}$ " ;  $\frac{5}{16}$ " ;  $\frac{3}{8}$ " ;  $\frac{7}{16}$ " ;  $\frac{1}{2}$ "

No. BA804 \$9.85

## MECHANICS' TOOLS

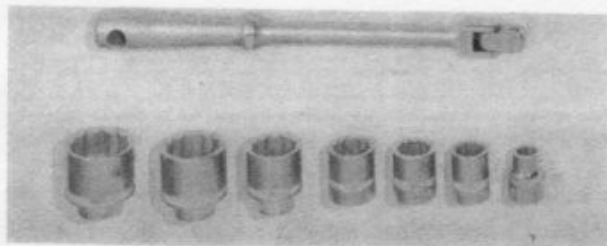

## BONNEY COMBINATION WRENCH SET

Consists of 7 combination wrenches in following Whitworth sizes: (same size both ends)  $\frac{1}{8}$ " ;  $\frac{3}{16}$ " ;  $\frac{1}{4}$ " ;  $\frac{5}{16}$ " ;  $\frac{3}{8}$ " ;  $\frac{7}{16}$ " ;  $\frac{1}{2}$ ". Complete with durable plastic wallet.

No. BA803 \$20.18

Professional quality chrome-vanadium tools—guaranteed against breakage by the manufacturer. Finished in chrome with polished heads.

## ← BONNEY MECHANICS' SHOP SET

An efficient selection of fine quality professional tools for the BSA mechanic. Set consists of following items:

Whitworth Sockets;  $\frac{3}{8}$ " Drive. Attachments;  
 $\frac{1}{8}$ " ;  $\frac{3}{16}$ " ;  $\frac{1}{4}$ " ;  $\frac{5}{16}$ "      6" Wobble Drive  
 $\frac{3}{8}$ " ;  $\frac{7}{16}$ " ;  $\frac{1}{2}$ "      6 $\frac{1}{2}$ " Reversible Ratchet  
 7 $\frac{3}{8}$ " Hinge Handle

Combination Wrenches:

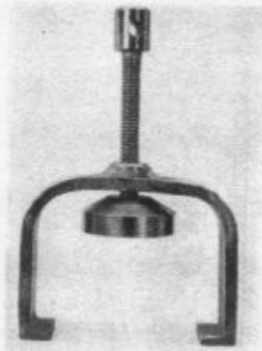

$\frac{1}{8}$ " ;  $\frac{3}{16}$ " ;  $\frac{1}{4}$ " ;  $\frac{5}{16}$ "  
 $\frac{3}{8}$ " ;  $\frac{7}{16}$ " ;  $\frac{1}{2}$ "

No. BA805 \$34.53

**BSA SERVICE TOOLS**

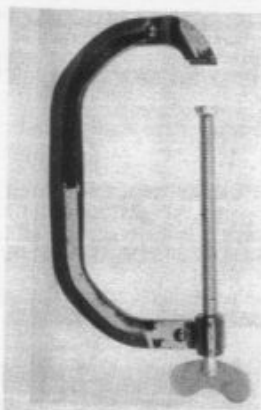

**SPECIAL TOOLS FOR THE SERVICE MAN  
CAN BE PURCHASED ONLY FROM YOUR  
BSA DEALER!**

**CLUTCH PULLER**

Tool No. 61-3191

A must for servicing BSA Bantam clutches.

\$11.85

**VALVE SPRING  
COMPRESSOR**

Tool No. 61-3340

For all o.h.v. BSA models — also adaptable to most other o.h.v. motorcycle engines.

\$4.35

**SPOKE NIPPLE KEY**

Tool No. 61-705 (Below)

Fits spoke nipples on BSA Twins and B Singles.

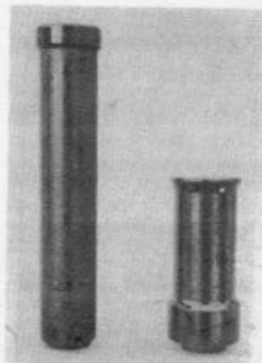

\$2.05

**FORK ASSEMBLY TOOL**

Tool No. 61-3005

Used in assembling oil seal holder on BSA A and B models.

\$10.06

**OIL SEAL EXTRACTOR  
AND ASSEMBLY TOOLS**

Facilitates service operations on BSA forks. Tool No. 61-3006 removes seal—Tool No. 61-3007 replaces seal.

No. 61-3006 \$7.20

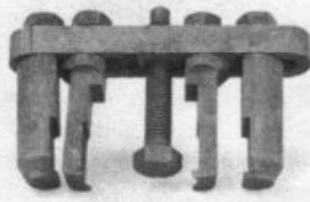

No. 61-3007 2.87

**GEAR EXTRACTOR SET**

Tool No. 61-3256

Highly useful in the BSA shop. Set contains special extractors for all camcase gears.

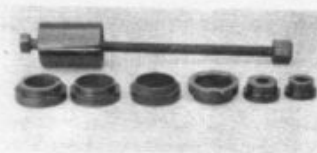

\$15.51 set

**PISTON PIN  
EXTRACTOR SET**

Tool No. 61-658

Set consists of special extractor with various size bushes to fit all BSA piston pins.

\$5.02 set

**CLUTCH EXTRACTOR**

Tool No. 61-3362

For removing clutch sleeve from mainshaft taper all BSA BSA A and B models.

\$3.31

**MAGNETO GEAR****PULLER** Tool No. 61-1903

Quickly and easily removes magneto driving pinion. All models with magdyno equipment.

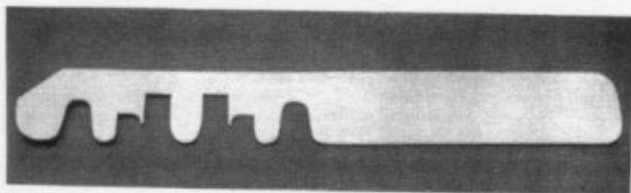

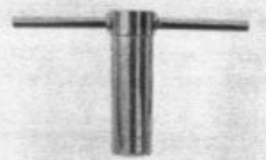

\$1.48

**FORK TOOL**

Tool No. 61-3002

Highly useful in assembling adjuster sleeve in fork all A and B models.

\$5.23

**VALVE PUSH ROD  
ASSEMBLY GUIDE**

Tool No. 67-9114

Guides pushrods into correct location when assembling twin cylinder BSA engine.

\$1.02

**TIMING DISC**

A highly important tool for the speed tuner. Metal disc, lithographed in degrees. Can be used on any motorcycle engine.

No. B712 \$1.00

# COMPETITION and SPEED EQUIPMENT

## FORGED RACING PISTON

### FORGED RACING PISTON FOR GOLD STAR No. B601-P

Special racing piston forged of super-tough alloy for maximum strength and minimum weight, in  $+.040$  only. Ask your Dealer for full information and price.

### HIGH COMPRESSION PISTON FOR BSA AND ARIEL 650

9-1 Piston for Hop-Up Jobs Fits All BSA and Ariel 650s.

No. 67-545 (Std.) \$20.24  
No. 67-547 ( $+.020$ ) 20.24  
No. 67-549 ( $+.040$ ) 20.24

### HIGH COMPRESSION PISTON FOR ARIEL HS SCRAMBLER

9-1 piston for Ariel Scramblers.

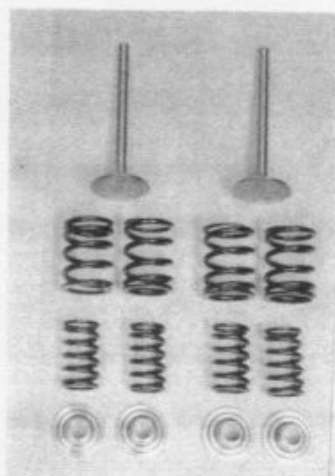

No. 1661-55C \$23.26

### OVERSIZE VALVE SEAT INSERTS FOR 1956-58 GOLD STAR

Inlet  
No. 65-644 \$7.48  
Exhaust  
No. 65-648 6.68

Used to renovate worn Gold Star heads.

### OVERSIZE VALVES FOR ROAD AND SUPER ROCKET

Used when porting Rocket head for freer gas flow, maximum power. Special steel withstands high racing temperatures.

Oversize Inlet Valve  
Part No. 67-961R \$6.80

### RACING VALVE SPRINGS FOR BSA ROCKET MODELS

Necessary for maximum RPM motors.

No. B613 \$2.00 pr.  
(1 outer, 1 inner)

### ALLOY COLLARS FOR ABOVE

No. 67-1349 \$.75 ea.

### OVERSIZE VALVE GUIDES FOR GOLD STAR DB MODELS

Used for renovating DB heads.

Inlet  
No. 65-1766 \$4.82  
Exhaust  
No. 65-1767 4.82

Also available for DBD model.

Note that BSA and Ariel motorcycles use only one camshaft per engine

### RACING CAMSHAFT FOR SUPER ROCKET, GOLDEN FLASH AND ARIEL 650 TWINS

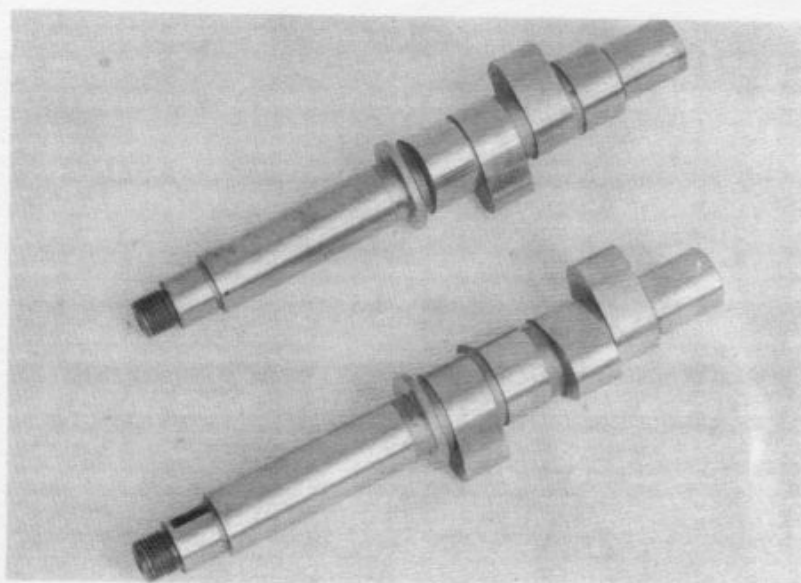

This is the hot cam used in the BSA Spitfire—1957 National Champion. Adds extra snap and horsepower for Competition work. This is a racing cam—not recommended for road use.

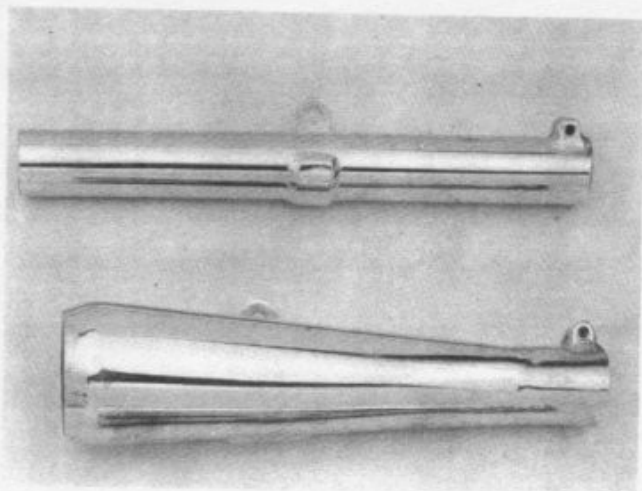

Shown top left — No. 67-357 \$23.15

### ACCELERATION CAMSHAFT FOR ALL BSA AND ARIEL 650 TWINS

Superior "DIG" from your 650 with this special acceleration cam. This is a racing cam—not recommended for road use.

Shown bottom left — No. 67-358 \$23.16

**EXHAUST EXTENSION**

For Gold Star 1957-58 DBD, increases power when substituted for muffler in competition. Do not use on road.

No. 42-2935 \$4.98

**MEGAPHONE EXHAUSTS**

For Gold Star when used in Competition. Not for road use. Increases power for racing, scrambles, etc. Consult your Dealer for correct type and price.

**"CUSTOM" ENGINE DECAL**

New, attractive 3-color decal for the Gold Star owner. Use it on tank top or other position on your motorcycle.

No. B713 \$.80

**ROAD RACING HANDLEBAR KIT**

Road racing type. Kit includes special cables and fork top covers. Fit A and B models.

No. B133 \$33.50

**BALL END LEVERS**

Competition type clutch and brake levers finished in heavy chrome. Fit A and B models.

Clutch No. 42-8685 \$2.70

Brake No. 42-8665 2.70

**SKID PLATE FOR BSA**

TWINS AND SINGLES (Not Illustrated)

A must for scrambles, T.T. cross country.

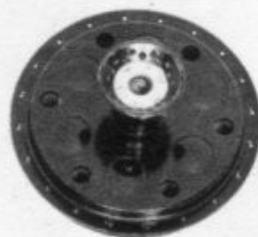

No. 42-2001—Fits A Models \$6.44

No. 42-2013—Fits B Models 6.90

**8" RACING FRONT BRAKE DRUM**

Finned and ventilated front brake drum for road racing, scrambles.

No. 42-5538 \$29.00

**SPROCKETS FOR GOLD STAR**

For converting road model to dirt track (also order drum below).

50 Tooth (No. 67-6201)

51 Tooth (No. 67-6205)

52 Tooth (No. 67-6206)

\$15.10 ea.

**DRUM FOR MOUNTING ABOVE SPROCKETS**

Must be used in converting road job to trackster.

No. 67-6168 \$16.25

**FOLDING FOOTREST SET**

For Dirt Tracker—Comply with A.M.A. regulations. Set includes footrest and bracket.

No. B134 \$6.75 ea.

**(E) DIRT TRACK HUB**

Light front hub—no brake drum—for building dirt track and dragster front wheels. Includes bearings and all internal parts.

No. B142 \$24.23

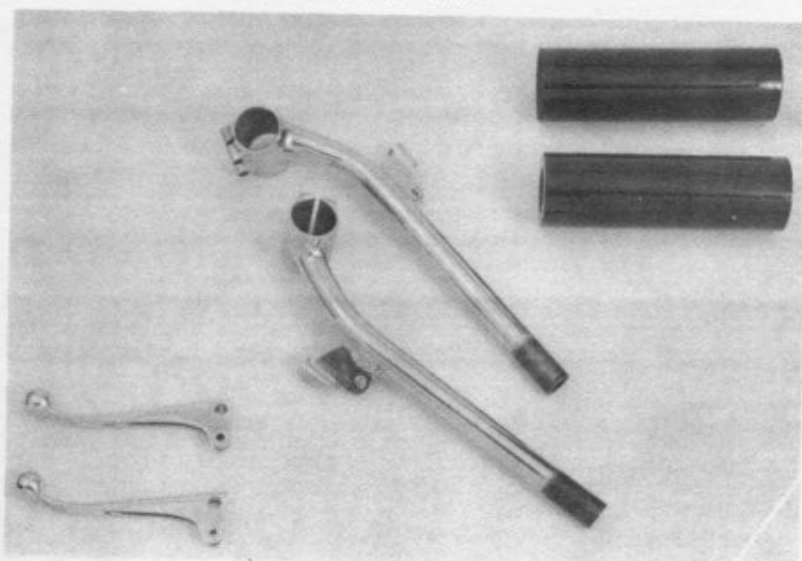

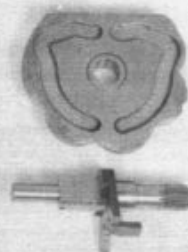

**REVERSE CAM PLATE**

Fits A and B gear boxes. Allows gear pedal to be reversed for racing. Spindle below must be used in mounting.

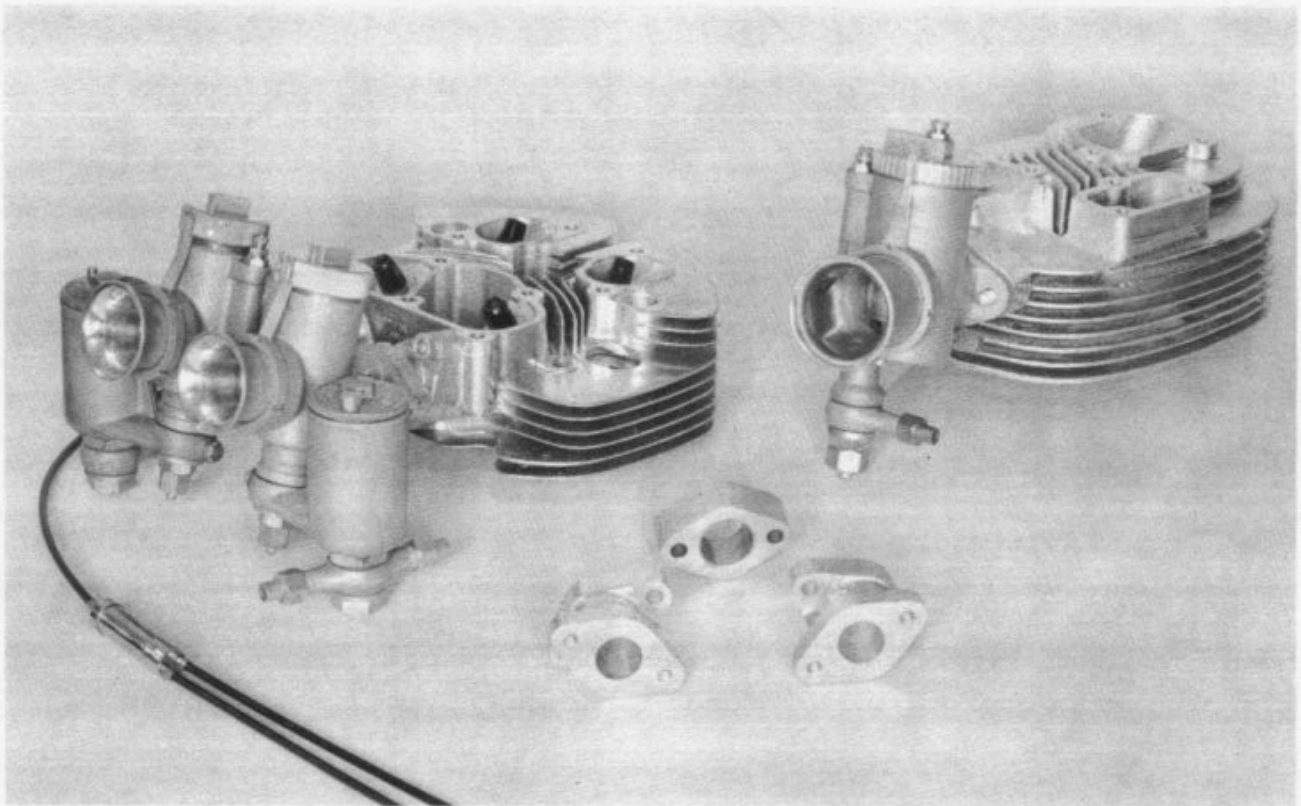

No. 42-3011 \$13.45

Lever Spindle for above.

No. 42-3013 \$5.37

#### TWIN CARBURETOR CONVERSION HEAD For Super Rocket, Golden Flash

Twin port alloy head—permits installation of twin carburetors on BSA 650 Twins, 1956-1958. Use Monobloc or racing carburetors with special alloy manifolds listed below.

No. 67-1105 \$109.00

#### TWIN CARBURETOR CONVERSION HEADS For BSA 500 Twins 1956-58

Twin port alloy head—permits installation of twin carburetors on BSA 500 Twins, 1956-1958. Use Monobloc or racing carburetors with special alloy manifolds listed below.

No. 67-1101 \$109.00

#### MANIFOLDS FOR TWIN CARBURETOR INSTALLATION

Special alloy manifolds for mounting left and right hand Amal carburetors. Shown above.

Right: No. 67-1330 \$6.68

Left: No. 67-1331 6.68

#### CONTROL CABLE JUNCTION BOX

For mounting throttle and air controls on twin carburetor set-up shown above. Includes cables (to handlebar and carburetors).

No. 67-8571 \$6.90

#### LATE TYPE GOLD STAR HEAD

Converts DB Gold Star to latest type DBD higher performance head. Shown right above.

No. 65-640 \$143.04 list

#### LARGE INTAKE VALVE

Special steel alloy withstands racing temperatures and stresses. For use with DBD head above.

No. 65-647 \$8.02 list

#### AMAL 1½" G. P. CARBURETOR

For maximum performance with DBD type cylinder head. Shown above. See your Dealer for information and price.

No. B612

#### AMAL 1¼" T.T. RACING CARBURETOR

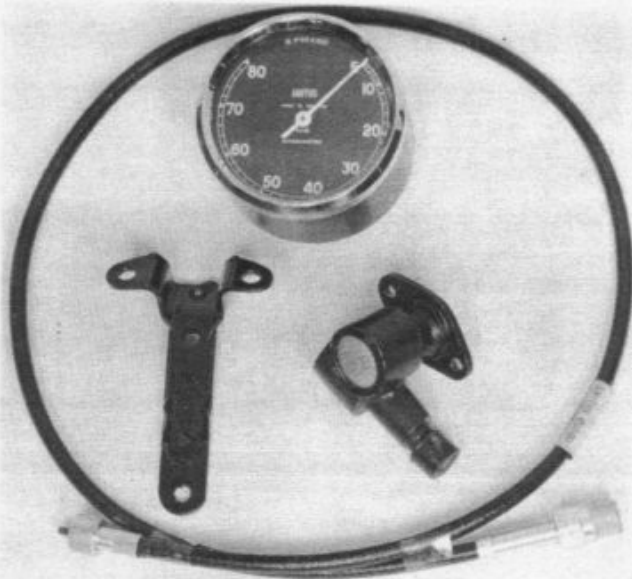

Illustrated with twin carburetor set-up above for maximum top end performance on Super Rocket, Golden Flash, Ariel 650 Twins. See your Dealer for information and price.

No. B609

#### CARBURETOR SPACING BLOCK

As used on BSA Spitfire. Used by many tuners in obtaining top performance. Shown center above.

No. 65-2562 \$4.82 list

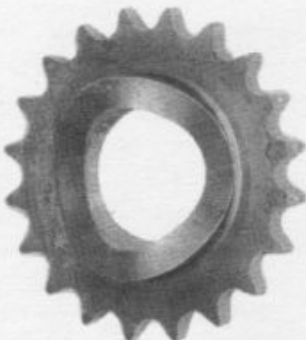

**(A) TACHOMETERS AND DRIVES**

As used on Rocket and Gold Star Models.  
 Smiths precision 8000 RPM Tachometer No. 65-9166 \$23.50  
 Drive Cable Assembly No. 65-9172 4.90  
 Right Angle Drive Unit No. 65-9164 16.90  
 Mounting bracket as illustrated No. 65-9167 1.11  
 Timing Gear Cover Twins No. 67-712 17.50

Complete Kit Above Parts for Converting Golden Flash and 500 Flash to Tachometer

No. B610 \$65.91

**USE GENUINE BSA RACING OIL – THROUGH YOUR BSA DEALER.**

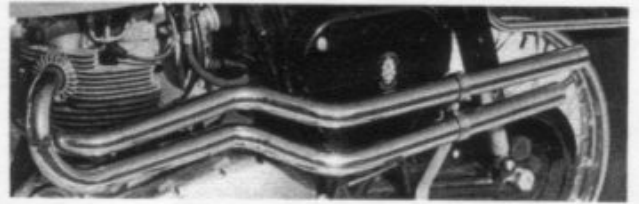

**ENGINE SPROCKETS FOR A AND B MODELS 1955—UP**

A variety of gearing combinations are obtainable by simply changing the engine sprocket. Following are available.

Type	No.	Price
16 T	65-2536	\$4.02
17 T	65-2537	
18 T	67-1132	
19 T	45-2776	
20 T	65-2538	\$4.02
21 T	67-1133	
22 T	45-2774	
23 T	65-2541	
24 T	45-2775	

See your BSA Dealer for other sprockets and gearing information.

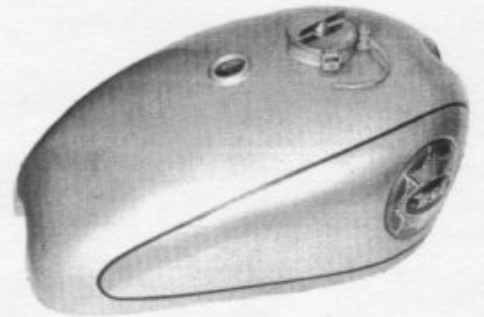

SEE GOLD STAR MANUAL PAGE 17 FOR GEARING INFORMATION

**(B) SCRAMBLES CROSS OVER PIPES FOR BSA 650 TWINS**

Competition straight pipes—cross over to left hand side of machine, mount securely. Brackets included. Finished in brilliant chrome. Not for road use!

No. B136 \$29.50

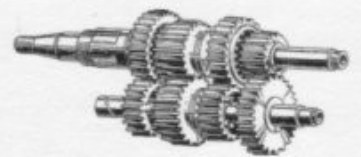

**(C) SPORT TYPE 2 GALLON TANK**

Competition tank as used on Gold Star only. 2 gallon capacity, positive closing cap has security hinge. Vented racing type. Finished in silver with chrome panels. "STAR" badges included in kit. Your dealer will quote price on this racing tank.

**GEARSETS**

Many gearbox combinations are available for BSA A and B models, to suit any competition need. Chart below gives internal ratios. Your BSA dealer will order and advise pricing.

The following Gearbox Ratios are available for Models fitted with Swinging Arm type frame.

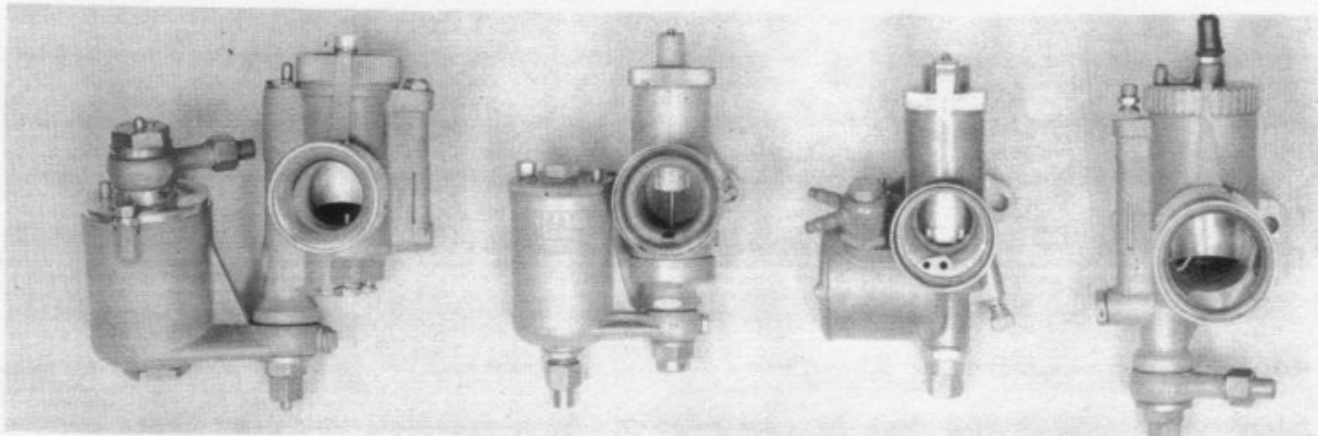

Description	Marking	Top	Third	Second	Bottom
Close Ratio					
Daytona	DAY or DAY.T	1	1.101	1.460	2.124
Scrambles	SC. or SC.T	1	1.325	1.754	2.343
Standard	STD. or STD.T	1	1.210	1.758	2.580
Wide Ratio (Trials)	TRI. or TRI.T.	1	1.459	2.339	3.167

Marking suffix 'T' denotes Needle Roller Layshaft Bearings.

# CARBURETOR HEADQUARTERS

Pep up your motorcycle with a brand new Amal carburetor. We stock the complete line. Consult your dealer for correct type and size.

## R.N. TYPE AMAL MONOBLOC TYPE

Adopted as standard by most British motorcycle manufacturers. Best for all around service. Available in following sizes:

ACCESSORIES

**A WORD TO THE RIDER**

All BSA and Ariel Accessories and Parts shown in this catalog are sold through authorized BSA and Ariel Dealers in Eastern U.S.A. We will be glad to furnish the name and address of your nearest dealer. If you reside in the territory of a franchised BSA-Ariel Dealer, your purchase must be made from him.

Only if you reside outside of any BSA or Ariel Dealer's territory may you order direct from Nutley, N. J. All direct orders must be accompanied by a post office money order for 20% of the total price of all items ordered. Merchandise will be shipped parcel post or express C.O.D. for balance plus postage. (Express charges collect.)

**MINIMUM ORDER:** If you order direct, (because you are not located in a Dealer's territory) each order must total at least eight (\$8.00). No goods can be exchanged, no goods will be accepted back for credit or refund.

Prices shown in this catalog are F.O.B. Nutley, N. J. On heavy or bulky items your dealer is justified in making an additional charge to cover freight and handling.

We make every effort to maintain complete stocks. When, occasionally, demand exceeds supply there may be a slight delay in shipment.

Prices and specifications of items shown in this catalog are subject to change without notice. No warranty can be given on accessory items.

INSIST ON  
GENUINE

The logo features the letters 'BSA' in a bold, italicized sans-serif font. To the left of the 'B' is a stylized winged emblem consisting of several horizontal bars of varying lengths, creating a sense of motion or speed.

AND  
ARIEL  
ACCESSORIES
